### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Anastasia Zhadina on October 15, 2007.

The application has been amended as follows:

**In claim 1, line 1:**

After the word "surface", the punctuation mark and the words -- , the surface is positioned -- have been added.

**In claim 1, line 13:**

The second occurrence "its" has been changed to -- the --.

**In claim 1, the last line:**

The words "longitudinal edge of the channel member" have been changed to-- of opposing longitudinal edges of the channel, and the lips extending outwardly from the channel for fitting the support member to the surface --.

**Claims 8, 9, 12, and 13 have been cancelled.**

Art Unit: 3725

***Specification***

The substitute specification filed on July 26, 2007 has been acknowledged and approved. The correction sufficiently overcomes the disclosure objections noted in the previous Office action.

***Allowable Subject Matter***

Claims 1, 4-7, 11, and 14 are allowed.

The following is an examiner's statement of reasons for allowance:

Claim 1 is allowable because the art of record, considered alone or in combination, neither anticipates nor renders obvious a compacting mechanism comprising:... the support member comprising *a lip extending along each of opposing longitudinal edges of the channel, and the lips extending outwardly from the channel for fitting the support member to the surface,* in combination with the rest of the claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
